

Vidhyashram Institute of Teacher's Training

Programme Outcomes (B.Ed.)

The programme learning outcomes of Two-Year B.Ed. programme are in accordance with the syllabi prescribed by JNVU aligned with NCTE guidelines. The Programme outcomes of B.Ed. are intended towards making the education process a more holistic experience for the beginner teachers. On the successful completion of the Two-year B.Ed. programme, the beginner teacher will be able to-

- Understand nature of education and pedagogic processes through enriched experiences.
- Build and practice the right attitude, value and ethics needed for teaching profession.
- Empower themselves with the subject content and pedagogy.
- Apply teaching skills and methodology to deal with classroom problems.
- Understand and cater to the needs of the diverse students.
- Contribute to the community service programme.
- Sensitize themselves on issues related to environment protection, gender, literacy and other concurrent issues.
- Develop scientific temperament and ICT knowledge for changing technological challenges and globalization demands.
- Attain harmonious development of their personality.
- Become reflective learners with insight for human welfare.
